

22nd ST. PAUL'S EMERGENCY MEDICINE UPDATE

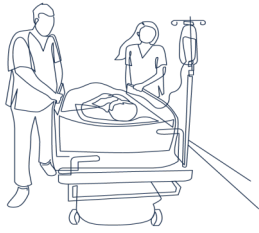

SEP 26-29, 2024 (Thu-Sun)

Whistler Conference Centre
Whistler, BC

We hope you can join us in Whistler for one of Canada's most significant conferences in the field of emergency medicine. This conference is being offered to all full time emergency physicians as well as community-based physicians who practice emergency part-time. In 2023 we had over 325 ER specialists from across Canada attend and The organizers understand the importance of interactivity and actively encourage it! As this is a rare opportunity to meet with many ER professionals in one location over a concentrated number of days we feel that the exposure is very valuable. The St. Pauls Emergency Medicine Update is one of Western Canada's highest quality and comprehensive conferences specifically geared for emergency professionals. See you in September!
