

Personal Learning Plans for IMGs

Supporting your personal and professional success

Register at ubccpd.ca/plp

What to Expect

A free and personalized program designed to help you identify and achieve your practice goals and navigate the continuing professional development landscape.

Process

- 1 VIRTUAL INITIAL MEETING:** Meet with a physician advisor and CPD concierge to discuss your current challenges, learning needs and areas of interest via teleconference or videoconference.
- 2 DEVELOP A LEARNING PLAN:** Review your customized plan and menu of activity options, which you may adjust as you see fit.
- 3 PLAN IMPLEMENTATION:** Connect to relevant resources, organizations and people in order to achieve your specific learning goals.
- 4 ONGOING SUPPORT:** Check-in at periodic meetings with the PLP team to access further support or reshape your plan as your learning needs evolve.

How We Can Help

Learning goal themes include, but are not limited to: EMR, Billing, ER, Point-of-Care Ultrasound, Exam Study Support, Psychosocial Support, Mental Health/CBT, Chronic Pain/Opioid Prescribing, and Coaching.

Learner-driven
