## RECIPE

# **Delicious Grand Rounds**

## 😤 Step 1 Choose the best format

*Is the main goal to teach a concept? Anatomical structure? Procedure? Choose a format that best achieves this purpose.* **SEE EXAMPLES >** 

### Step 2 Mix the ingredients

If you need help putting everything together, UBC ed tech provides free consultations. For lectures, not baking. GET FREE ADVICE >

**Provides the essential material** 3 parts flour Are the objectives properly crafted? Are the take-home points clearly taught & repeatedly summarized? SEE EXAMPLES > **Binds it all together 1** part butter *Is there a memorable theme to tie everything together?* **SEE EXAMPLES >** Makes the content memorable 2 parts sugar Are there at least 2 types of audience interaction? SEE EXAMPLES > **Promotes eye-catching appeal** Lots of icing *Is the title intriguing? Are the slides well-designed?* **SEE EXAMPLES > Cake topper** The cherry on top (optional) Would a personal story or relevant video add impact? SEE EXAMPLES >

## Step 3

#### **Present with flourish**

*Have the moderator and speaker rehearsed the technology (camera, lighting, & audio) and the timing? Are the handout and presentation ready to unveil?* **SEE CHECKLIST** >
