

Assessor Sessional Fee Payment

Physicians who attend the Fall 2026 Assessor Training Workshop are eligible to receive the following:

- Compensation of 2 sessional fees (\$580.21 per session)

Please complete the attached form for your sessional fees. The payment instructions are listed below:

Please note all payments will be distributed via Electronic Funds Transfer (EFT).

Similar to direct deposit, payment via EFT will allow us to deposit your sessional fee payment directly into your bank account. It is an easier, secure, and faster way to receive your payments. **In order to set up your EFT profile with HEABC, we will require your direct deposit form (including your banking information), or a copy of a void cheque.** This information is provided to our Finance department in order to process your sessional fees payment.

Please submit the completed and signed documentation through the secure link below:
