

UBC CPD Ethical Standards

Your Responsibilities for Accreditation

PHYSICIAN ORGANIZATION (PO)

Learning activities must be developed with PO involvement from the beginning

SCIENTIFIC PLANNING COMMITTEE (SPC)

Are we representative of target audience?
Chair and agreed decision making process?

CONFLICT OF INTEREST FORMS

Identify who will coordinate, SPC needs to decide on management of any disclosed COIs

CPD CONTENT

SPC has a role in identifying needs, making sure content is based on evidence and clinical reasoning, flagging bias, reviewing evaluation responses

RESPONSIBILITIES

Identify who will coordinate with and inform speakers, authors, etc. of their responsibilities

COMPLIANCE

Make sure the CPD activity is not used to promote or sell products/services

SPONSORSHIP

Any commercial sponsorship must be in line with UBC CPD Ethical Standards

NON-COMPLIANCE

Rare - follow UBC CPD procedures (or other approved process)
