WHO SHOULD ATTEND

- Family Physicians
- Pediatricians
- Residents
- Internists: Generalists, Neurologists, Hospitalists, Rheumatologists, Geriatricians, Dermatologists, Endocrinologists, Infectious Disease Specialists

Developed by the UBC Department of Ophthalmology & Visual Sciences, this one day course offers non-ophthalmologists an opportunity to update their ophthalmology knowledge and skills through active learning.

The course will run with 3 streams devoted to:

1) Family Medicine  
2) Pediatrics  
3) Internal Medicine

Participants will gain confidence in ophthalmic conditions commonly encountered in their practice through a series of lectures and hands-on workshops facilitated by local ophthalmologists.
