Pediatric Ophthalmology and Strabismus are complex and rapidly evolving subjects. We need to keep up with developments in the many facets of these broad fields in order to provide optimal care to our patients. Every two years, we meet to refresh and update our approach to practical problems and to learn about changes at the leading edge of these specialties.

This year in Vancouver, we will address the issues of infantile esotropia, infantile nystagmus, papilledema and pseudopapilledema, vertical strabismus and amblyopia. At the start of each session and at the end of the conference, interactive presentations will highlight specific problems in strabismus and pediatric ophthalmology.

We have gathered a group of superb speakers, each recognized to be a leader in the fields of strabismus, pediatric neuro-ophthalmology, pediatric retina and genetics. Our invited guests and local faculty will share their insights with us over this two-day conference. Ample time will be provided for questions to promote lively interaction. We hope you will join us for what promises to be a memorable event!
COURSE OBJECTIVES

At the end of this conference you will:
1. Appreciate the nature of infantile nystagmus.
2. Recognize developmental abnormalities of the optic nerve.
3. Approach vertical strabismus diagnosis and treatment with confidence.
4. Differentiate papilledema from pseudo-papilledema.
5. Understand congenital abnormalities of the retina and retinal pigment epithelium.
6. Appreciate the nature and implications of craniofacial disorders for the eyes.
7. Understand the potential interventions for progressive myopia in childhood.
8. Recognize macular abnormalities of childhood and potential treatment interventions.
9. Understand the progress in the field of aniridia and the potential for drug therapy.

LOCATION

UBC Robson Square
800 Robson St
Vancouver BC

UBC Robson Square is located in downtown Vancouver on Robson Street between Hornby and Howe Streets. The campus entrance is located on the Plaza Level and may be accessed by stairways on either side of Robson Street at Howe, or by elevator from the underground parkade.

PROGRAMME

FRIDAY SEP 18, 2015

0700 Breakfast & Registration
0755 Words of Welcome, Dr. D. Maberley, Chairman, UBC Department of Ophthalmology and Visual Sciences
0800 Infantile Onset Retinal Dystrophies and Treatment Options, Dr. Tony Moore
0830 What is Infantile Nystagmus? Dr. Michael Brodsky
0900 A Pot Pourri of Purely Practical Pediatric Ophthalmology Pearls, Dr. Burton Kushner
1000 Refreshment Break
1030 Resident Case Presentation and Discussion
1040 Retinal Vascular Disorders of Childhood, Dr. Tony Moore
1110 It’s Worse, Isn’t It, Doctor? Potential Interventions for Progressive Myopia, Dr. Megan Rees
1130 Congenital Abnormalities of Retina and RPE, Dr. Tony Moore
1200 McCormick-Crichton Lecture 2015: New Insights from Functional and High Resolution MRI, Dr Bruce Bjornson
1230 Lunch Provided
1400 Resident Case Presentation and Discussion
1410 New Observations About Infantile Esotropia, Dr. Michael Brodsky
1440 Ocular Aspects of Albinism, Dr. Tony Moore
1500 A Comprehensive Approach to Vertical Strabismus: Diagnosis, Dr. Burton Kushner
1525 Break
1545 Resident Case Presentation and Discussion
1555 A Comprehensive Approach to Vertical Strabismus: Treatment, Dr. Burton Kushner
1620 Prism Adaptation, Dr. Ashley Ko
1640 Genetics of Strabismus, Dr. Tony Moore
1705 Course Day Ends

CONFERENCE DINNER • FRIDAY, SEP 18
18:00 @ The Italian Kitchen
1037 Alberni St, Vancouver BC
Please See Registration Form to Sign Up

SATURDAY SEP 19, 2015

0700 Breakfast & Registration
0755 Welcome and Housekeeping Notes
0800 Resident Case Presentation and Discussion
0810 Developmental Abnormalities of the Optic Nerve, Dr. Tony Moore
0840 Is it Papilledema? Dr. Michael Brodsky
0900 Aniridia Project: Towards Early Phenotype Modification, Dr. Cheryl Gregory-Evans
0930 Some Conundrums in Strabismus, Dr. Burton Kushner
1000 Refreshment Break
1030 Resident Case Presentation and Discussion
1040 When Neurology Meets Ophthalmology, Dr. Maryam Aroichane
1100 Is Amblyopia Treatment About to Become Exciting? Dr. Jane Gardiner
1120 2015 John Pratt-Johnson Lecture: Childhood Macular Dystrophies: Genotype, Phenotype and Prospects for Therapy, Dr. Tony Moore
1200 Lunch Provided
1330 Resident Case Presentation and Discussion
1340 Significance of Post-Operative Lateral Incomitance, Dr. Roy Cline
1400 News from Down Under: Pediatric Ophthalmology & Strabismus in New Zealand, Dr. Christopher Waite
1420 Juvenile X-Linked Retinoschisis, Dr. Kevin Gregorov-Evans
1440 Loco-Motions, Dr. Burton Kushner
1500 Break
1520 Panel Discussion
Panel: Drs. Brodsky, Kushner, and Moore
1700 Program Ends
GUEST FACULTY

Michael Brodsky, MD. Professor of Neurology, Professor of Ophthalmology, Department of Ophthalmology, Mayo Clinic, Minnesota
Ashley Ko, MD, FRCSC. Vancouver, BC
Burton Kushner, MD. Professor Emeritus, Department of Ophthalmology and Visual Sciences, University of Wisconsin-Madison
Tony Moore, MD, FRCS, FRCOphth. Professor of Ophthalmology, Department of Ophthalmology, UCSF School of Medicine, California
Christopher Waite, MD, FRCSC. Previous Ophthalmology and Strabismus Fellow, University of Auckland, New Zealand

LOCAL FACULTY

Bruce Bjornson, MD, FRCPC. Clinical Assistant Professor, Division of Neurology, Department of Pediatrics, UBC; Scientific Director, Child and Family Research Imaging Facility, CFRI
Roy Cline, MD, FRCS, Dipl.AAO. Clinical Professor, Department of Ophthalmology and Visual Sciences, UBC
Jane Gardiner, MD, FRCSC. Clinical Professor, Director, Undergraduate Program, Department of Ophthalmology and Visual Sciences, UBC
Cheryl Gregory-Evans, BSc(Pharm), PhD, TD. Professor, Department of Ophthalmology and Visual Sciences, UBC
Kevin Gregory-Evans, MD, PhD, FRCS, FRCOphth. Professor, Julia Levy BC Leadership Chair in Macular Research, Department of Ophthalmology and Visual Sciences, UBC; Director, The Foundation Fighting Blindness Canada
Megan Rees, MD, FRCSC. Clinical Associate Professor, Department of Ophthalmology and Visual Sciences, UBC

PLANNING COMMITTEE

Maryam Aroichane, MD, FRCSC. Clinical Assistant Professor, Department of Ophthalmology and Visual Sciences, UBC
Lindsay Callan. Conference Services Director, Division of Continuing Professional Development, Faculty of Medicine, UBC
Christopher Lyons (Chair), MB, FRCSC. Professor, Department of Ophthalmology and Visual Sciences, UBC; Head, Department of Ophthalmology, BC Children’s Hospital

ACCOMMODATION

The Sheraton Wall Centre
1088 Burrard St
Vancouver BC
T 1.888.627.7058
