UBC RURAL ROUNDS Morning Videoconference Series

SEP 2017-JUN 2018
MONTHLY • THU 8-9 AM (PDT/PST)

WHAT IS RURAL ROUNDS?

The Rural Rounds series aims to provide relevant, up to date and rurally specific CME in your community. Speakers either live and work in rural areas of BC, or possess an understanding of the unique circumstances of the rural health care provider.

The 2017-18 Rural Rounds season will feature ten talks on subjects of interest to rural practicing health care providers.

The format includes case-based presentations with many opportunities for questions and discussion. Audience participation is encouraged!

- Earn up to ten CME credits close to home.
- Thursday mornings, once per month, 8-9 AM (PST/PDT).
- Registration by hospital site (\$150 per session; discount for early registration).

Contact your local CME coordinator to register your hospital. More details on reverse.
