TRAUMA 2014: TRAUMA ASSOCIATION OF CANADA ANNUAL SCIENTIFIC MEETING
APR 10 & 11, 2014
THU-FRI
CENTRE MONT-ROYAL
MONTREAL QC

WHO SHOULD ATTEND

- Trauma Surgeons
- Injury Prevention Specialists
- Emergency Physicians
- Trauma Nurses
- Anaesthetists
- Intensivists
- Trauma Coordinators
- Trauma Registrars and Data Analysts
- Allied Health Professionals
- Physician's Assistants

Join us for the 2 day Trauma 2014 meeting. This year the conference will offer plenary sessions on current approaches to trauma care, multidisciplinary discussions of approaches to trauma, panel discussions, and open paper and poster sessions on a variety of trauma-related topics. The gala dinner will take place in La Cabane, located in old Montreal. April 9 is devoted to Trauma Association of Canada pre-conference meetings; the conference itself runs from Thursday, April 10 to Friday, April 11.
TUES APR 8, 2014

0800  Digital Innovations, Inc. Report Writer Course
Due to the success of previous courses, The Trauma Registry Information Specialists of Canada (TRISC) will be coordinating a Report Writer (RW) training session with Digital Innovation (DI). This course will include a review of DI Report Writer concepts, with particular emphasis on Data Validation. Registration for TRISC members is $75.00; registration for non-TRISC members is $125.00 per person, and includes refreshments and lunch. To register for the course, please visit the TAC Website at http://www.traumacanada.org/. For more information regarding the Report Writer Course, please contact James Pou at jpou@dicorp.com or Nasira Lakha at nasira.lakha@vch.ca. We look forward to seeing you at the course.

WED APR 9, 2014

0700  Registration Desk opens; breakfast for 0730 meetings

0730  Interdisciplinary Trauma Network of Canada (ITNC) Meeting
This full day meeting is open to all interdisciplinary trauma care providers, including trauma program managers, coordinators, educators, clinicians, nurse practitioners, clinical nurse specialists, clinical nurses, physician assistants, researchers, injury prevention coordinators, first responders, etc. The day includes a short national business meeting, followed by formal and informal presentations from representatives from across Canada with an opportunity to share, learn, and network with peers. Our aim is to develop both national and international interdisciplinary strategies and education for the care of the multiple-injuries patient.

0730  Trauma Registry Information Specialists of Canada (TRISC) Meeting
The Trauma Registry Information Specialists of Canada (TRISC) invites all registry specialists to a full day meeting. The day begins with a short business meeting followed by education sessions and networking. A physician specialist will present on injuries to the Pelvis. A review of coding pelvic injury cases will follow. Anyone involved in the collection, analyses, interpretation, research, or management of trauma data are invited to attend. The full day includes breakfast, coffee and lunch. For more information, please contact Nasira Lakha at nasira.lakha@vch.ca.

0800  Multi-Centre Trauma Pediatric Study (CLOSED meeting)

0900  TAC Research Committee Meeting

1500  TAC Accreditation Meeting—open to all TAC members

1600  TAC Executive Meeting—open to all TAC Executive Members
